We have had Kidder's Gas Regulator in use in our respective stores for several months past, and take pleasure in recommending it to the gas consuming public as accomplishing perfectly the ends for which it was designed. It regulates the burning of the gas, and with as good a light saves us a handsome per-centage upon our mouthly bills.

I have been using Kidder's Regulator in my hotel for the last six weeks, and during that time I am confident I have saved in money twenty-five per cent. over the amount paid for the same time last year, and believe my light is quite as good as before using it, and do feel confident that it is a decided saving to the consumers of gas.

paints, especially for marine purposes.

You are at liberty to give full publicity to the above stated facts, which are of too much importance to be kept from the naval and commercial world. I am, respectfully, your obedient servant, JAMES JARVIS,
